

The 2040 Regional Transportation Plan *Is Being UPDATED ...*

RTP
2040
Regional Transportation Plan

The RTP
is the **long-range
transportation plan**
for Cumberland, Dauphin
& Perry counties.

It determines how we will:

- prepare for an increase in **cars & trucks**;
 - manage **congestion & traffic safety**;
- make our **roads & bridges** the best they can be;
 - get our **goods** from one place to another;
 - provide convenient **public transit**;
 - accommodate **bike riders & pedestrians**;
 - keep our **rail** traffic flowing;
 - improve our **airports**;
 - offer **access** to the disabled & elderly;
 - protect our **environment**;
 - and so much more.
