

Credits are available to properties that can provide stormwater education to their students. This can include programs emphasizing the importance of surface water, groundwater, and stormwater resources, and how the students play a role in preserving and restoring the physical, chemical, and biological integrity of the Township's water resources.

Education Credits are applied only to the IA associated with the teaching facility and related infrastructure. Education credits are valid for one year and require a credit renewal each year the curriculum is taught. Eligible education institutions may be granted up to a 15% credit based on the following criteria;

- **Level One Education Credit:** A 10% education credit is available to a qualifying institution that educates 50% to 74% of the grade levels within the school or school system.
- **Level Two Education Credit:** A 15% education credit is available to a qualifying institution that educates 75% to 100% of the grade levels within the school or school system.

Applicable Party:

☐ Educational Institution: _____
(establishment)

(age group)

☐ Religious Institution: _____
(establishment)

(age group)

☐ Other Facility: _____
(establishment)

(age group)

Select Educational Programs Designed by Establishment:

- ☐ Water Resource-Themed Student Poster Session
- ☐ Water Resources/Stormwater Science Fair
- ☐ Take-home Water Resource/Stormwater Materials
- ☐ Classroom Lessons
- ☐ Field Trips
- ☐ Afterschool Club
- ☐ Other: _____

Please provide copy of curriculum with credit application submission, or schedule pre-app meeting to discuss stormwater-related lessons.

Select STA Pre-Approved Educational Programs:

- ☐ PSU Extension: Rain to Drain – Slow the Flow
- ☐ PSU Extension: Watershed Decisions Activity
- ☐ EPA NPDES Stormwater Outreach Materials and Reference Documents
- ☐ EPA Teacher Resources and Lesson Plans
