

Credit is available for Tier 5 properties with lawns or landscape areas that receive fertilizers (organic or inorganic) and pesticides. These properties have an opportunity to receive a 15% credit if the following are completed:

- Soil fertility samples are collected and submitted to the PA State Agricultural Analytical Services Laboratory for a soil fertility test. Provide sample a minimum of once every three years.
- Commit to the recommendations provided on the soil fertility report, including the application of lime if recommended.
- Commit to follow the fertilizer, lime, and pesticide application requirements as recommended by STA.
