

RESOLUTION NO. 2010- 07

SUSQUEHANNA TOWNSHIP AUTHORITY

---

**RESOLUTION AFFIRMING THE RATES FOR THE OPERATION AND  
MAINTENANCE OF THE SEWER SYSTEM OF THE  
SUSQUEHANNA TOWNSHIP AUTHORITY**

---

**WHEREAS**, the Susquehanna Township Authority has in existence certain rules, rates and regulations for the operation and maintenance of the sewer system of Susquehanna Township by the Susquehanna Township Authority which rules, rates and regulations, duly adopted by the Susquehanna Township Authority as amended from time to time, do specifically provide for rates and charges for the use of the system; and

**WHEREAS**, the Susquehanna Township Authority has determined that the existing rates are sufficient in order to fulfill its obligations for the proper care and maintenance of its wastewater transmission system and treatment by the City of Harrisburg to include some reasonable allocation for future increases in sewer treatment costs by the City of Harrisburg so that no increase in the rates for the operation and maintenance of the sewer system are required at this time; and

**WHEREAS**, in consideration of the foregoing, the Board of the Susquehanna Township Authority affirm the existing rates shall continue as follows:

1. The sewer rental rate for all residential users of the system, regardless of the location within the Township, shall continue to be \$99.50 per quarter, or \$398.00 per year.
2. The minimum sewer rental for commercial use shall continue to be in the amount of \$104.42 per quarter for the first 16,000 gallons of use and \$6.53 per 1,000 gallons used for all commercial users of the system in excess of 16,000, regardless of location within the Township.

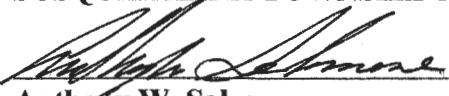

**RESOLVED AND ENACTED** by the Susquehanna Township Authority this 3<sup>rd</sup> day of

August, 2010.
